

Membership Secretary's Report

This year has seen a small increase in our membership: we currently have 132 members, with 1191 people now regularly receiving newsletters and updates from LDER. Among the many reasons it has been good to be able to meet in person again for Conferences are the opportunities to talk to members of the party on the stall and at fringe events and encourage them to sign up, and to put faces to names that are already familiar from the contacts lists.

Welcome to those who have joined LDER this year, and many thanks to those who have renewed their membership, especially those who have responded to (more!) requests to change the way they pay because of changes to the online payment system on our website.

If you like what we do, but are not yet a member, please do consider joining us, which you can now do using the dedicated "I want to join LDER" button at <https://www.lder.org/join-us>

If possible, please also email us at info@lder.org to confirm that your payment is a membership subscription. It will also be very helpful to give us your name, local party and party membership number. Please do not hesitate to get in touch at info@lder.org or helenlder@gmail.com to inquire about any difficulties you encounter with membership-related matters.
