

## Membership Secretary's Report

We currently have 118 members, among the 952 who regularly receive newsletters and updates from LDER.

A special welcome to those who have joined LDER this year, and thank you too to those who have renewed their membership - especially those who have responded to requests to change the way they pay their annual subscriptions because of the setting up of the new bank account or the changes to the online payment system on our website.

If you like what we are doing, but are not yet a member, please do consider joining us. You can do so by visiting <https://lder.org/en/donate>. Please note that although there is no "join us" or "subscribe" button, a donation of at least £10 (£5 for concessions) means you become an LDER member for the coming year. If you then click to make the payment annually recurring, it will save admin time sending out renewal reminders.

Please do not hesitate to get in touch at [info@lder.org](mailto:info@lder.org) or [helenlder@gmail.com](mailto:helenlder@gmail.com) if you experience any difficulties with membership-related matters, or have any questions.
